**FUNCTION KIT**

# THE PENNY BLACK

Shake up the mood for your next function with The Penny Black.

Located in Brunswick in an historic building and pub, which has been serving the locals for more than 20 years.

The venue provides classic pub decor inside in our Front Bar, which also contains it's own pool table, regular live entertainment and multiple fireplaces.

Outside is for the sun-lovers – a large beer garden, DJ booth, second bar & dedicated outdoor dancefloor will keep the atmosphere flowing throughout the night – and of course weather proof for Melbourne's pesky weather.

Treat yourself (and your guests) to classic pub delights, plus a large selection of drinks ranging from cocktails, to local wines and icy cold beers on tap. Rest assured we've always got your good times sorted.

Swing past & put your feet up we'll take care of the rest!
